Tagann grianghrafadóirí ó na Meáin chuig an scoil ó am go ham agus glactar grianghrafanna de na páistí. I roinnt cásanna luaitear aim an pháiste leis an ngrianghraf seo. An bhfuil tú sásta leis seo? <i>On occasion, local press photographers take group photos of children and in some instances identify the children by name. Do you agree to the school using your child's image in this way?</i>		
Uaireanta, tugtar cuireadh don scoil páirt a ghlacadh i gclár raidió/teilifíse. An bhfuil cead ag do pháiste páirt a ghlacadh i ngníomhaíocht mar seo? <i>Sometimes the school is given the opportunity to participate in radio and television programmes. Do you give permission for your child to participate in these events?</i>		
An dtugann tú cead don scoil ainm do pháiste a úsáid, mar shampla i nuachtlitir na scoile/suíomh idirlín na scoile? <i>Do you give permission for the school to use your child's name in relation to publicising school events and activities in our newsletter, website and similar publications?</i>		
Is é mana na scoile ná buanna gach pháiste a aithint agus a cheiliúradh. Mar shampla, obair an pháiste/grianghraf an pháiste a chur suas ar an suíomh idirlín/leathanach Facebook. Ní bheidh ainm do pháiste luaite leis na grianghrafanna seo. De ghnáth, glactar grianghrafanna ó achair fada agus i ngrúpaí. An bhfuil cead ag an scoil íomhá do pháiste a úsáid sa mbealach seo? <i>It is the school's policy to celebrate your child's work and achievements. As a result, images of your child and his/her work may appear on our website and/or Facebook page. Best practice will always be followed. Usually, children will only be photographed at a distance and in groups. Do you agree to the school using your child's image in this way?</i>		
Bíonn múinteoir tacaíocht foghlama ag beagnach gach scoil. De ghnáth glacann an múinteoir tacaíocht foghlama páistí i ngrúpaí beaga nó leo féin agus díríonn an múinteoir seo isteach ar dheacrachtaí atá ag an ngrúpa/páiste aonair. Beidh tú curtha ar an eolas ón múinteoir ranga má tá aon deacrachtaí foghlama ag do pháiste. An aontaíonn leis seo? <i>Most classes have an extra support teacher assigned to help all children in the class. Usually, for organisational purposes, the learning support teacher works with groups or individual children. If your child is experiencing learning difficulties you will be informed personally by the teacher. Do you agree?</i>		
Múineann an scoil 'Stay Safe' nó 'Bí Slán'; ceachtanna ar shábháilteacht pearsanta agus ceachtanna RSE (Caidreamh agus Oideachas Gnéis) ar fhorbairt agus athrú. An bhfuil cead ag do pháiste páirt a ghlacadh sna ceachtanna seo? <i>The school teaches the 'Stay Safe' programme, lessons on personal safety and RSE lessons on developing and changing. Cuid 5: Bunachar Sonraí Ar Líne do Bhunscoileanna (POD)

Part 5: Primary Online Database (POD)

What is POD?

The Primary Online Database (POD) is a nationwide individualised database of primary school pupils, facilitating the monitoring of educational progress as pupils move through the primary education system and on to post primary. The system allows schools to make online returns to the Department of Education and Skills (DES) and provides the Department with the comprehensive and in-depth information needed to develop and evaluate educational policy.

What is it used for?

- Completion of the National School Annual Census – As of September 2016 POD is the mechanism for schools to complete the Annual Census
- Teacher allocation and payment of capitation and other grants – Information submitted through the Annual Census forms the basis for teacher allocation, capitation and grant payments for each school
- Resource allocation and planning purposes
- Statistical Information- POD is the source of statistical information for the primary school sector
- Register of pupils – POD has removed the need for schools to maintain a hardcopy of their school's Clárleabhar, as all necessary information is recorded on the system
- Centralised updating of school information – POD provides a single point for schools to view and correct the details held by the Department

What information is recorded on POD?

The following information is collected for each pupil on POD:

There are also two optional fields of data on POD. As these are considered sensitive personal information under the Data Protection Acts, they can only be recorded on POD with the explicit written consent of the pupil's parent(s) or guardian(s). The fields are as follows:

- Religion (Aggregated information on religion will be used for statistical purposes only)
- Ethnic or Cultural Background (Aggregated information on Ethnic/Cultural background will be used to track the progress of these groups and to compare their progress with other groups, thereby identifying gaps in the system and assisting in the developments and implementation of appropriate policies and interventions)

In order to assist with the gathering of data please complete page one and two of this form in CAPITAL LETTERS. This form will be retained by the school.
